RESPONDENT

FINAL ORDER

THIS MATTER came before the Mississippi State Board of Dental Examiners (“Board”) on January 12, 2024, for the purpose of presenting certain charges filed in Complaint Docket No. 2023-07, against Jimmy Dale Vance, D.M.D., 36 Savannah Circle, Brandon, Mississippi 39047 (“Respondent”). A quorum of the Board members was present throughout the hearing and deliberations in this matter.

Respondent, having been properly served, called on the day of the hearing and being fully informed of Respondent’s rights to a hearing before the Board, did not appear at the hearing and was not represented by an attorney. Attorney W. Westley Mutziger served as prosecutorial counsel for the Board. The Board Investigator, Nick Hardwick, was called to testify, and the Board’s exhibits were introduced into evidence. The case was called for hearing without objection from any party. A court reporter made a record of the proceedings.

Special Assistant Attorney General Kristen N. Love, designated by the Board to serve as its Administrative Hearing Officer, presided over the proceeding and was directed by the Board to prepare its written decision in accordance with its deliberations. The hearing was held pursuant to Title 73, Chapter 9 of the Mississippi Code of 1972, as amended, and pursuant to any and all other applicable Mississippi laws and regulations.

Having conducted the hearing in this matter and based upon the exhibits, testimony and the evidence presented, the Board makes the following findings of fact, conclusions of law, and orders based on clear and convincing evidence:

FINDINGS OF FACT

1. The Board is established pursuant to the *Mississippi Dental Practice Act*, Title 73, Chapter 9 of the Mississippi Code of 1972, as amended, and is charged with the duty of licensing and regulating the practice of dentistry and dental hygiene in the State of Mississippi.

2. MISS. CODE ANN. § 73-9-17 authorizes the Board to adopt such rules and regulations it finds necessary to conduct the business of the Board and to carry out its licensure and regulatory functions.

3. The Board has jurisdiction in this matter pursuant to MISS. CODE ANN. § 73-9-13, 73-9-61, and 73-9-65. Venue is likewise properly placed before the Board to hear this matter in Hinds County, Mississippi.

4. The provisions of MISS. CODE ANN. § 73-9-13, 73-9-61 and 73-9-63 authorize the Board to conduct hearings if it has reason to believe that a licensee has violated the provisions of the Mississippi Dental Practice Act, or any Board rules or regulations.

5. Respondent was properly noticed of the Complaint and the date and time of the hearing in accordance with MISS. CODE ANN. § 73-9-65.

6. This matter was duly and properly convened and all substantive and procedural requirements under law have been satisfied.

7. Respondent is the holder of a Board-issued license to practice dentistry bearing license number 2753-93 and is, therefore, subject to provisions of Title 73, Chapter 9 of the Mississippi Code of 1972, as amended, and Board rules and regulations.

8. The Board finds Respondent is guilty of Charge I in the Complaint based upon the sworn testimony and the evidence presented at the hearing.

9. Whenever a Board-licensed dentist is accused of acting in violation of the Board's Rules and Regulations, the Board may initiate an investigation into such allegations. Unless said charges are dismissed, or resolved, the Board will issue a formal complaint against the dentist. The Notice of Hearing and Complaint against Respondent were mailed certified to Respondent's address on file with Board on December 12, 2023, charging Respondent with certain violations of the Board's Rules and Regulations, namely 30 Miss. Admin. Code Pt. 2301, R. 1.41 – (Board Regulation 41- Continuing Education).

10. Respondent did not appear at the hearing and was not represented by an attorney.

11. The evidence clearly and convincingly establishes that Respondent failed and/or refused to produce records evidencing completion of forty (40) hours of approved continuing education for the two-year period January 01, 2021, to December 31, 2022. On or around May 2023, the Board conducted a random compliance audit for the period January 1, 2021, through December 31, 2022, to ensure Respondent's compliance with 30 Miss. Admin. Code Pt. 2301, R. 1.41. – (Board Regulation No. 41 – Continuing Education). Respondent was randomly selected to participate in the audit to show Respondent's compliance for the two-year period January 01, 2021, to December 31, 2022. In response to the audit, Respondent submitted records evidencing completion of approximately nineteen (19) of the required forty (40) hours of approved continuing education for the two-year period January 1, 2021, to December 31, 2022. Respondent's submission also informed the Board that Respondent's employment with the VA

Dental Clinic ended on August 17, 2021, due to multiple health issues. Respondent updated the Board regarding serious health impairments which impeded Respondent's ability to practice and maintain continuing education hours as follows:

For several months following the vaccine I experienced severe symptoms associated with a previously diagnosed and treated narcolepsy condition, pain in knees and hips, restless leg syndrome, burning mouth syndrome, anemia with iron level 10 requiring 4 infusions, and headaches and anxiety. I eventually got concerned about my condition affecting the safety of patients, employees, and self, and I asked for leave under the FMLA concluding that I needed to apply for Early Medical Retirement from the Department of Veterans Affairs. I was eventually approved for Disability Retirement around April 2023.

CONCLUSIONS OF LAW

1. The Board has jurisdiction in this matter pursuant to MISS. CODE ANN. § 73-9-13, 73-9-61, and 73-9-65. Venue is likewise properly placed before the Board to hear this matter in Hinds County, Mississippi.

2. The provisions of MISS. CODE ANN. § 73-9-13, 73-9-61 and 73-9-63 authorize the Board to conduct hearings if it has reason to believe that a licensee has violated the provisions of the Mississippi Dental Practice Act, or any Board rules or regulations.

3. This matter was duly and properly convened with all substantive and procedural requirements satisfied.

4. The Board is specifically authorized to impose any of the disciplinary sanctions provided in MISS. CODE ANN. § 73-9-61 when it determines that a licensee has violated the laws, rules and regulations governing Board licensees and to prescribe conditions under which persons may practice in the best interest of the public.

5. The Board's rules require licensed dentists have forty (40) hours documented, approved continuing education as follows:

Every licensed dentist shall be required to have forty (40) hours documented, approved continuing education. Every year thereafter, each licensed dentist shall have forty (40) hours of continuing education for the previous two (2) consecutive years. 30 Miss. Admin. Code Pt. 2301, R. 1.41(2)

A record of courses taken, the date, location, number of hours for such course, and certificates of attendance/successful course completion shall be kept by the dentist or hygienist for a minimum of three (3) years from the date of attendance and shall be made available for review at any time by any member of the Board or by any designated agent of the Board. Further, when a Board member or any designated agent thereof shall conduct any authorized investigation, any and all continuing education records will be reviewed and/or audited by such Board

member or authorized agent during the course of the investigation. Finally, when any licensee is noticed to appear before the Board to show cause why that licensee's dental or dental hygiene license should not be suspended, revoked, or have other action taken against it, that licensee is required to present proof of compliance with this Regulation. 30 Miss. Admin. Code Pt. 2301, R. 1.41(10).

6. The Board finds that the evidence clearly and convincingly establishes a basis for disciplinary action against Respondent pursuant to Section 73-9-61(1)(b) in that Respondent failed to comply with and acted in violation of the rules and regulations adopted by the Board, namely the Board's Rules 1.41(2) and 1.41(10).

Based upon its Findings of Fact and Conclusions of Law, the Board finds as follows:
